Another Cameron boy has achieved honors. He is Robert Lowe, 24, only child of Mrs. Edwin Schuhardt of Ballinger, who will be remembered here as Mrs. Bessie Lowe, and taught school here for several years.

Robert Lowe is now a college professor and is teaching English in Purdue University in Fayetteville, Indiana. He attended school in Cameron until his mother moved to Ballinger where he completed his high school work and entered Baylor University at Waco where he graduated. He took his Masters degree at University at Waco where he graduated year he accepted a position in the Purdue University, and hopes to receive his doctor's degree, already having one year's credit.

In 1929 a distinguished honor was conferred upon him when the Century Company asked for one of his poems to be placed in their anthology. This honor comes to representative writers in the country. The poem published in the book was "Women Plowing." Other poems from his pen are: "God's Hands," "Kings Bow Their Heads," and "By Such Small Things."

Robert Lowe was born in Milam county near Cameron in 1909.

H. C. BEAL, FORMER RESIDENT HERE DEAD

H. C. Beal, formerly of Milam county, died at his home in Fort Worth Saturday night, April 29th. His body was sent to Colorado City, Texas, Sunday afternoon for burial.

Mr. Beal was born and reared on the old John T. Beal homestead near Jones Prairie in this county, known now as the Marvin Sneed farm. He was a pioneer cattleman of the West having gone there when a young man. He retired from the cattle and banking business several years ago and with his family moved to Fort Worth, where he has made his home for several years prior to his passing.

Mr. Beal is survived by his wife and several children who are living in Texas. He has one brother, H. D. (Nick) Beal, of Big Spring, Texas; three sisters, Mrs. F. G. Oxshier of Fort Worth; Mrs. J. T. Sneed of Georgetown, Texas and Mrs. Julia Tyson of Cameron. He was an uncle of Dan Tyson of Cameron.

75 MEN FROM MILAM REFORESTATION QUOTA

Seventy-five men from Milam county is the full quota allotted for work in the national forests under the employment program of President Roosevelt. For the present only 6 men have been called from this county, according to J. P. Love, head of the Emergency Relief Association for the county.

The men are being assembled into camps. The pay is \$30 per month for 8 hours of work for five days a week.

Preference will be given to those men who have been on the list of relief bureaus. Men from 18 to 25 will be taken and they must allot a portion of the earnings to dependants. The enlistment is for 6 months.

Recruiting chairmen are: J. P. Love, Cameron; T. B. Stidham, Jones Prairie; Lesser Newton, Milano; J. M. Weid; Jamie Clark, San Gabriel; T. V. Adams, Buckholts; Ed Hesse, Burlington C. Saller, Thorndale.

GOOD WILL TRIPS TO BE MADE BY CLUB

A number of good will and entertainment trips will be made by the Cameron Commercial Club to other communities in the county in the near future, it was decided at the first director's meeting of the new year held at the Court House Monday night. This action was taken upon suggestion of the new president, L. Van Perkins.

The following committee has been appointed by president Perkins to make plans for the goodwill trips: J. D. Baskin, chairman; Frank Cheeves, Roy Griffith, Vernon Roberts and Rev. O. C. Acree.

It is planned to hold these meetings at night, which will be featured by music by the Cameron High School Band and by speeches by local business and professional men. Gause will probably be the first community to be visited.

Several years ago the Commercial Club sponsored a number of these trips and they resulted in much good. They were thoroughly enjoyed by both the people of Cameron and by the people whom they visited. I was chairman of the committee at that time and everyone had a good time," said J. W. Coleman, a director of many years.

A membership campaign also will be conducted during the week, and every business institution and professional man in the community will be called upon and solicited to join. President Perkins is hopeful of 100 per cent cooperation in this drive. Four chairmen will be selected and the drive will be a one-day affair, according to Secretary W. M. Cobb.

Oxshier Smith was a visitor at the meeting of the directors, which was attended by the following officials: L. Van Perkins, Leland Green, J. W. Coleman, F. J. Beckerman, John Sapp, W. G. Manning, Geo Banzhaf, Guy P. Newton and W. M. Cobb.

Provisions of Farm Aid Measure are Explained

MILAM COUNTY GOES IN ELEVENTH DISTRICT

Milam county has been placed in Congressional District No. 11 under the provisions of a bill finally agreed upon to be passed by the Legislature, redistricting Texas after many years.

O. H. Cross of Waco, former resident farm operator here, is Congressman from the 11th district and will have the people of Milam county as constituents when the bill is passed. Luther A. Johnson of Corsicana has been congressman for a number of terms from the 6th district of which Milam county is now a part. Friends here will regret to see the county taken out of the 6th district due to their loyalty and admiration of Mr. Johnson, but will welcome Mr. Cross who has a wide personal acquaintance in the county.

CAMERON BAND WINS DISTRICT SILVER CUP

Cameron's Municipal Band under the direction of Francis Cox, director, won the silver cup and first place for one year bands at the district meet in Mexico on last Saturday.

The Cameron Band entered the meet in competition with a number of bands over the district and the prize brought back to the city has brought to this band of young musicians the plaudits of the people.

The cup comes to the Cameron band as the first award made of it and will be engraved in commemoration of the event.

A large delegation of parents and interested citizens attended the meet.

Following the contest an Auxiliary of Parents was organized here on Monday night. A systematic plan of transportation is being mapped out by the organization to take the boys to concert engagements in the future.

Roesler Held Here Following Shooting

Hugo Roesler, charged with the shooting of Elmar Horstmann, Buckholts deputy sheriff, last Monday, was being held in jail here pending action of the grand jury now in session.

Mrs. Roesler and their son, both charged with the husband for responsibility for the shooting, have been released on bail. Reports said that Mr. Horstmann was recovering from bullet wounds in his legs. A charge of shot from a shot gun struck him as he attempted to serve a warrant of arrest on Roesler for an assault on John Tomasek, neighbor, who had filed a complaint here. The shooting occurred on the Roesler farm south of Pettibone.

Mrs. Joe Mohler is reported quite sick at her home. Her many friends hope for her a speedy recovery.

"State Fair" With Will Rogers and Star Supporting Cast At Milam Theater May 10, 11 & 12

Two of filmdom's outstanding stars play together in "State Fair," the new all-star film from Fox. They are Janet Gaynor and Will Rogers who are co-starred with Lew Ayres, Sally Eilers, Norman Foster, Louise Dresser, Frank Craven and Victor Jory. IPC

More than 100,000 people, among them eight of the screen's leading stars, appear in Fox Film's "State Fair," coming to the Milam Theatre Wednesday, Thursday and Friday, May 10, 11 and 12.

The stars of this mammoth production are Janet Gaynor, Will Rogers, Lew Ayres, Sally Eilers, Norman Foster, Louise Dresser, Frank Craven and Victor Jory. Miss Gaynor, Rogers, Foster and Miss Dresser are seen as members of a Midwest Farm family enjoying their annual outing at the state fair. Ayres plays a newspaper reporter who covers the fair for his paper, Miss Eilers portrays a carnival trapeze performer, Craven characterizes a country storekeeper and Jory appears as a Barker.

Henry King who directed "State Fair" asserts that every man, woman and child who sees the picture will recognize a friend in it.

"The characters of the 'State Fair' are the most human I've ever seen in a picture," declared King. "And that goes without reservations. They are the sort of people we meet and talk with every day."

"Furthermore, there is at least one in the group that every person will understand particularly well. It may be the pretty farm girl played by Janet Gaynor, the farmer portrayed by Will Rogers or the carnival girl that Sally Eilers characterizes. Or perhaps it will be the newspaper reporter Lew Ayres plays, the matron played by Louise Dresser, or the country storekeeper portrayed by Frank Craven. Somewhere along the line, every person who sees the picture will recognize an especially kindred spirit."

"It is characterization of this type," continued the director, "that makes a story an ideal screen vehicle."

"State Fair," the screen version of Phil Strong's Literary Guild prize novel, comes to the Milam Theatre on Wednesday, Thursday and Friday, May 10, 11, and 12.

T. A. FISHER HEADS CO. EDUCATION BOARD

T. A. Fisher, superintendent of the Cameron schools, was elected president of the Milam County Board of Education at a meeting held here this week.

Mr. Fisher succeeds W. A. Morrison, who has been named by Governor Ferguson as a member of the State Board of Education. Mr. Morrison had been president of the county board for 22 years.

F. B. Durnie of Curry has been elected to succeed T. A. Fisher on the board.

H. J. Fuchs of South Elm and A. L. Gresham of Six Mile were appointed trustees for the next three years.

Appeal Taken In Clarence Booker Case At Austin

Criminal District Attorney S. M. Burns is in receipt of a communication from District Attorney Hart at Austin saying that a motion for a re-hearing in the Clarence Booker case has been overruled.

Attorneys for Booker have filed notice of appeal, it is said, and the case will be taken to the Court of Criminal Appeals for final decision. Booker was convicted in District Court at Austin for the murder of Andy Smith in Cameron last December. He was given death.

Appeal of the case will require some time and it was not known whether the case could be heard at the present term of court.

CORRECTION

In the published account of the shooting on the Roesler farm last week this newspaper made an error which we now desire to correct. The warrant sought to be served on Hugo Roesler was the result of a complaint made by John Tomasek instead of Frank Tomasek as published.

How to train BABY'S BOWELS

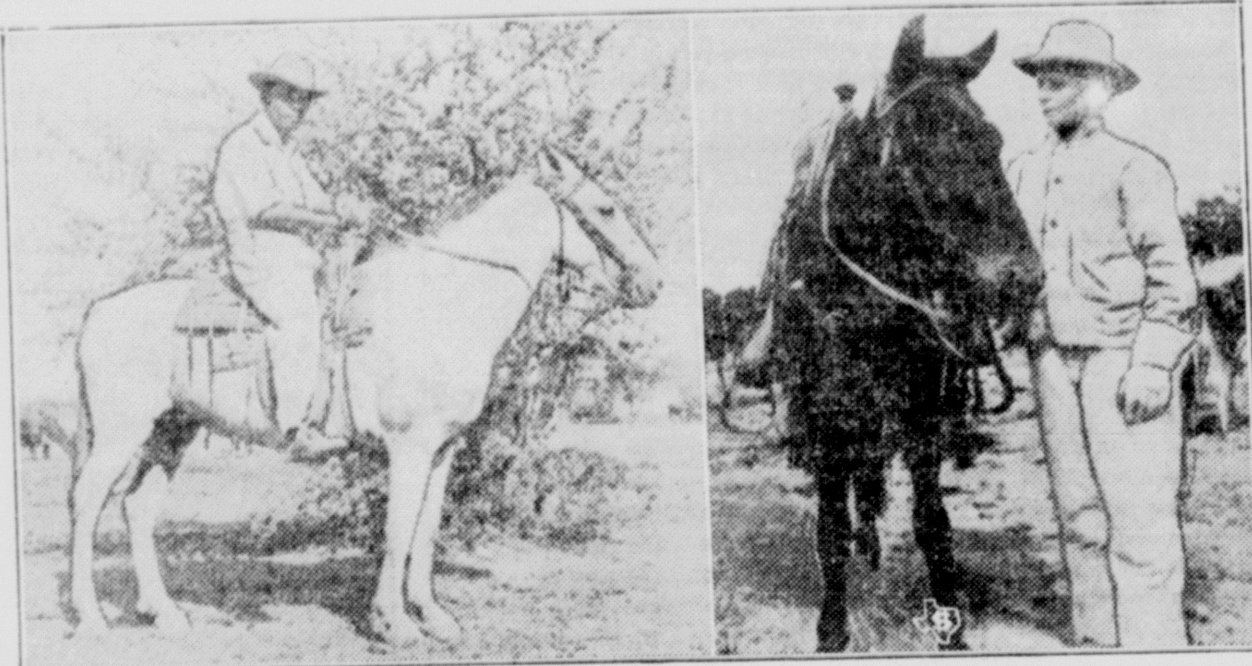

Babies, bottle-fed or breast-fed, with any tendency to be constipated, would thrive if they received daily half a teaspoonful of this old family doctor's prescription for the bowels.

That is one sure way to train tiny bowels to healthy regularity. To avoid the fretfulness, vomiting, crying, failure to gain, and other ills of constipated babies.

Dr. Caldwell's Syrup Pepsin is good for any baby. For this, you have the word of a famous doctor. Forty-seven years of practice taught him just what babies need to keep their little bowels active, regular; keep little bodies plump and healthy. For Dr. Caldwell specialized in the treatment of women and little ones. He attended over 3500 births without loss of one mother or baby.

Progress Shown in Annual Report of Secretary Cobb

(Continued from last week)
Highway Sought

Like the public schools, our public paved highways are cornerstones of civilization. They are essential to tourist trade and the tourist crop is always profitable. Cameron, unfortunately has not been located on one of our great public highways such as the one that goes from Hearne to Milano to Rockdale to Thorndale. The Cameron Commercial Club has been alert and ambitious for our city to secure such a highway.

Your club's most recent achievement has been securing the designation of U. S. Highway No. 77 thru Milam county and subscribing the

money for the right of way from Elm Creek bridge to Burlington to enable Cameron to receive the greatest possible benefits of this opportunity. The Club's request for the county to assume the cost of this right of way was turned down on two occasions by the Commissioners' Court on the grounds of excessive cost and lack of funds. Success only attended our repeated efforts after the Commercial Club assumed one third of the costs and raised the money, in the face of dull times and in spite of predictions that it could not be done.

Right of Way Obtained
The securing of the right of way

for federal highway number 77 has many outstanding features. This highway when completed will extend from Winnipeg, Canada to Brownsville, entirely across the United States directly through the heart of Texas. This highway will come thru Gainsville, Dallas, Waco, Cameron, Giddings, La Grange and on to Brownville. It has been estimated that this highway will increase Cameron's traffic to the extent of 500 to 1000 cars per day. This highway in South Texas will be the great scenic route known as the Hug the Coast Highway. Those present tonight doubtless have read in the public press where our legislature recently passed a bill condemning land for the use of the right of way for highway 77 through Kennedy county. People of the business interests of Houston and Galveston have joined the people of Willacy and Cameron counties in conducting a militant fight for the completion of this highway to Brownsville on account of its great importance to Texas.

The secretary is particularly happy to report that more than \$800.00 has been subscribed and paid in by progressive merchants of Cameron to meet the cost of one third of the right of way. Considering the times, the subscribing of this sum by our merchants was most remarkable, and as a testimonial to their loyalty to Cameron and to their progressive-ness and generosity. The people of few cities in Texas the size of Cameron would have been progressive and generous enough to raise this sum in the early part of 1933.

An easement secured from the Southern Pacific Railroad Company past the Ben Arnold cemetery and entirely through the town, saved much trouble including the moving of two filling stations and a large seed house. It was a graceful and unselfish act on the part of the company which the Commercial Club deeply appreciates.

Meat Show Held

The recent County Meat Show which was conducted by Geo. Banzhaf, county agent and Miss Bartholemew, home demonstration agent, in which there were 500 entries as compared with 300 last year, was sponsored by your club, which also secured the prizes for its long list of awards.

Thanks Workers

The secretary wishes to express his appreciation to the other officers and directors and members who have given their time, talent and of their means to support this organization. President Akers and the Vice Presidents Perkins and Green, and the Directors have been capable, willing and loyal workers. The Club expects to conduct a membership campaign within the next month and it is believed that many more memberships can be secured, enabling the organization to become more useful and serviceable.

To each and everyone who has contributed in any way to the success of the Cameron Commercial Club during the past year, the secretary wishes to extend his sincere and deep appreciation, with the firm belief that the bread cast upon the waters will return for the advancement and happiness of the people of Cameron, "The Friendly City" and of our splendid trade territory.

Respectfully submitted,
W. M. COBB,
Secretary.

John Wood, traveling man from Dallas who has been making Cameron for many years, spent the week end here.

Extra Good Hot Water Sponge Cake

6 eggs.
4 tablespoons of sugar.
1 heaping cup of sugar.
1 cup of flour.
1-4 teaspoon cream tartar.
Juice of 1-2 lemon.

Method: Beat egg whites until stiff but not too dry. Boil sugar and water together until it threads. Pour very slowly into egg whites. Beat for 15 minutes. Add cream of tartar to flour which must be sifted three times.

Then add beaten yolks and sifted flour. Add flavoring. Bake 45 minutes. Put in hot oven for a few minutes only then turn down heat. Increase heat a little just at the end. This makes an excellent dessert when served with whipped cream.

MRS. W. H. HOPKINS IS BURIED IN SWEETWATER

Misses Leila Woolley and sister, Mrs. Wilna Ramsouer returned last week from Roscoe and Sweetwater where they were called on account of the death of an aunt, Mrs. W. W. Hopkins, who died at the home of her daughter, Mrs. T. M. Dobbins at Roscoe, Friday, April 21. The funeral was held Saturday afternoon at 3:30 o'clock, with interment in the Sweetwater cemetery.

Deceased was the widow of the late Rev. W. W. Hopkins, a Methodist preacher who had lived in Milam county for a number of years and had at one time been tax assessor of Milam county. Many friends in the county will regret to hear of the passing of Mrs. Hopkins. She had been a member of the Methodist church for many years, and had lived to a ripe old age.

Mr. and Mrs. T. M. Dobbins had formerly lived at Ad Hall before moving to Roscoe.

OLD LETTER TELLS OF CONFEDERATE DAYS

Read by Will Paden as a part of the Memorial Day exercises over the graves of Confederate dead in Oak Hill, the letter below, is 70 years old and the original a part of the collection of Mrs. Jeff T. Kemp.

E. J. McIver was a pioneer merchant and a Confederate soldier. His widow, still lives in Cameron, the mother of Mrs. Dallis Young, and grandmother of Miss Dallis Young, librarian at the school. The McIver store occupied the building now housing the New Cameron Drug Co. Tullahoma, Tenn., April 16, 1863.

Wesley McIver, Esq.,
Dear Brother:
Your interesting favor of 24th of March was at Huntsville as you directed it in hands of Mayor Chat-

ham. I have had no possible chance to answer it sooner, as I left Huntsville soon after I received it and got here day before yesterday. I felt satisfied that you had written to me, but thought the letter must be detain somewhere. There is not a great deal of news in the army now. Current rumors are afloat that we are to move or fight shortly, but I see no particular signs of either. Orders have been issued to move the tents to the rear. This may be only a precautionary measure. Yet it may be that something of the kind is on hand. Such orders were out a little more than a month ago but they were not carried out. The tents are to be taken entirely away, and one fly left to every sixteen men, which amounts to taking nearly all. The troops will have to sleep in the open air, but they did this on the Kentucky trip and I suppose can stand it again. When the conflict does come on here, if it ever comes, it will be the most terrific carnage

that ever crimsoned the earth. I think it will have a good effect upon hastening the war to a close as this is the point the Yankees are all looking to for success, as they have lately failed everywhere else. And I hope the Supreme Being who holds our destinies in His hands may avert further bloodshed and soon send us days of peace and independence. The 27th of March was universally observed where I was at the time. I attended services that day in Florence, Alabama. Probably no days so appointed was ever more generally observed.

I expect I shall have to go to Atlanta in a few days with tents that are to be sent off to the rear, but I shall not be gone but a few days. The health of the army is pronounced good now, still there are a good many deaths daily. Mr. Hale is certainly mistaken as to the enforcement of the Conscript law. He may not have seen any account of it in any other

state, but nothing can be more certain than the fact that it is enforced in Alabama. The company to which I originally belonged has nineteen (19) conscripts in it and they did not come from North Carolina. Alabama has two conscript camps established in the state. They have conscript officers in this state and in Georgia and I suppose in the other states. We had two more days of heavy rain and the roads are in bad condition again. News is so scarce that it is useless for me to extend my letter to a greater length. Write me at this place and if I should not be here, I will make arrangements to have your letters kept for me, and I will try to answer as promptly as I can.

I wrote to you from Decatur, Alabama. I hope to hear from you soon and to hear that your family are all well. I remain,

Your affectionate brother,
E. J. McIVER.

FEELS MUCH BETTER

To lose fat and at the same time gain in physical attractiveness and feel spirited and youthful take one half teaspoonful of Kruschen in a glass of hot water before breakfast every morning.

A jar that lasts 4 weeks costs but a trifle at any drug store in the world but be sure and get Kruschen Salts the SAFE way to reduce wide hips, prominent front and double chin and again feel the joy of living—money back if dissatisfied after the first jar.

The revival being held at the Gospel Tabernacle, this city, is attracting large crowds. Rev. H. G. Gardner greatly desires that his ministry in Christ will help all people. He is said to have a fearless ministry and condemns modern evils in no uncertain manner. His sermons are founded on the pure word of God. It's SAFE!

Everyone accepts the fact that Bayer Aspirin is the swiftest form of relief for headaches, neuralgia, neuritis, periodic pain, and other suffering. If you've tried it, you know. But no one need hesitate to take these tablets because of their speed. They are perfectly safe. They will not depress the heart. They have no ill effect of any kind. The rapid relief they bring is due to the rapidity with which they dissolve.

So, keep these tablets handy, and keep your engagements—free from pain or discomfort. Carry the pocket tin for emergencies; buy the bottle of 100 for its economy. The new reduced price has removed the last reason for trying any substitute for genuine Bayer Aspirin—each tablet stamped with this cross:

WOMEN! Get rid of the handicaps of a weak, debilitated condition with the assistance of Cardui. Mrs. R. L. West, of Huntsville, Ala., writes: "I was weak and run-down. I had a pain in my side, and I kept losing weight. I grew nervous over my condition—this was unusual for me, for I am very cheerful when I am well and don't easily get nervous. I knew I ought to take something. My aunt told me I ought to try Cardui, which I did. I began to feel better. I kept it up until I had taken three or four bottles. My side quit hurting and I was soon feeling strong and well."

Cardui is sold at drug stores here.

Cameron Choral Club Denied Victory When Contest Judge Errs

Miss Alice Adele Wilkerson, instructor of the Blue Bird Choral Club, is in receipt of a letter from Mrs. Hattie W. Hillyer, Secretary Music Meet at Baylor College, Belton, in which she states that according to highest places the Cameron Club won.

Cameron had 1st, 2nd and 4th places in the estimation of the judges. Two clubs next highest were the same—1st, 2nd and 5th places—a tie. One judge made only ten points between his highest and lowest grade, another made only 8 points between the highest and lowest, while the third judge made 26 points between the highest and lowest. "You can easily see how this method of grading would bring about an unexpected decision according to figures," she wrote.

"We are very sorry that this seeming injustice obtained but there was nothing we could do about it. Personally I did not agree with the judges and I have found no one who did. I think even the judges themselves were surprised.

"Your club did very pretty work and you deserve much credit for it. Though I was not listening with the intense concentration that I give to contests when I am acting as judge, your club to me was one of the best if not the best."

CLUB LEADERS VISIT HISTORIC PLACES

Mrs. John S. Owens and Miss Delphya Scott enjoyed luncheon Sunday at the Hotel St. Anthony, Brenham. From there they drove to La Grange. This city is known to tourists as the city of trees. They arrived in time to greet a company of motorists from Houston, men and women who were locating patches of the state flower, the Blue Bonnet, that they might harvest seed which they hope to gather in the fall. This was in keeping with the Better Homes week in the state and nation from April 23 to April 30.

This little city is rich in history and tradition. Near the court house stands a monument erected by the state of Texas a number of years ago, which bears the inscription: "Erected by the State of Texas to the Memory of her Defenders, Capt. N. H. Dawson and his command who fell at the battle of Salado September 18, 1842," and on another "To the Memory of the men who drew the Black Bean and were shot at Salado Mexico, March 24, 1843."

There is a historic oak tree standing near the court house campus being kept alive by plastic surgery. Under its branches Col. John H. Moore and his men assembled when they went to fight the Indians on head waters of the Colorado River October 24, 1840.

Capt. Nicholas organized his company of 53 men under this tree when they rode to their massacre by the Mexicans at Salado September 18, 1842.

War between the states, Company "G" of Green's Brigade assembled under this tree when they went to join the brigade in 1861.

War with Spain, Company "H" First Texas Volunteer Infantry, assembled under this tree when they entrained to go to Cuba in 1898.

First draft of World War for this section, assembled under this tree October, 1917. First Armistice celebrated under this tree by Fayette County, November 11, 1918.

A beautiful drive, a state highway, which has been beautified by civic organizations, wind up a slight elevation to the river bridge across the Colorado and further on is a large tomb that contains the bones of 16 of the 17 men who drew the Black Bean at the Hacienda, Salado, Mexico, March 24, 1843, including Capt. Wm. Eastland of Fayette county and the bones of Capt. Nicholas Dawson and 41 of his army who were massacred at Salado September 18, 1843.

Mrs. Owens and Miss Scott met a number of the representative citizens of La Grange, who are proud of their town, its history and traditions. They returned home by way of Giddings, where they met a former Cameron citizen, Kirby Boles, who is with the Southern Pacific Railroad and is still much interested in friends in his old home.

She was attractively attired in a blue crepe dress with accessories to harmonize.

The ceremony was witnessed by relatives of both contracting parties.

Misses Stallworth and Leila Woolley will attend the meeting and others may.

The club has completed the Texas Star Cactus bed at the City Park. The star is built of petrified wood and is 30 feet from tip of points. It is a very attractive piece of work, and is laid in with the pinechion cactus in bloom in various sizes.

A large circular road sign has been completed by the club, in dark green and yellow, and bears the club emblem on one side. It is to be placed at some road entrance to the "Friendly City," and will be a very attractive sign.
